

In this edition, we want to explore the beautiful concept of gratitude. Gratitude is so much more than just saying "thank you." It's about appreciating the abundance and blessings in our lives, both big and small. It's about shifting our focus from what's lacking to what's present, from what went wrong to what went right. It's about cherishing the acts of kindness, love, and support we receive from others.

Gratitude teaches us to be present, to engage fully with life, and to embrace the little moments that bring us joy. It's a practice that can transform our perspective, attitude, and overall well-being.

As you read through the articles and stories in this newsletter, we encourage you to take a moment and reflect on what you are grateful for in your life.

How can you enhance your happiness by looking at gratitude? Let's embark on this gratitude journey together and discover the wonders it can bring to our lives.

Our goal is to help you find peace in the chaos,

*Michelle*

### FILIPINO AMERICAN HERITAGE MONTH 2023
